NEW ENGLAND WOMEN TELL WHY THEY FAVOR AN EQUAL SUFFRAGE

THE BOSTON AMERICAN'S
WOMAN SUFFRAGE REFERENDUM.

[Women only vote rate.]

I FAVOR GIVING WOMEN THE RIGHT TO VOTE

NAME.....
ADDRESS.....
I OPPOSE GIVING WOMEN THE RIGHT TO VOTE
NAME.....
ADDRESS.....

Cut out and send this ballot to the AMERICAN, No. 80 Summer street. Every woman should urge her woman friends to vote.

The women of Massachusetts and New England are showing keen interest in the opportunity being afforded them by the BOSTON AMERICAN of expressing themselves on the question of woman suffrage and making known their wishes in that respect by means of the referendum ballot to be published in this paper. A large number have up to date recorded their preference.

The cause of woman suffrage is attracting attention in England and the

United States, where prominent women are agitating for it. Although it was considered a fair years ago the right of woman to vote has since been a crusade and crusaders accomplish things, there is no denying that fact. Women are showing a remarkable willingness to sacrifice in their quest for the right to vote in both countries.

To what extent do these agitators actually give woman a chance to register their choice.

The BOSTON AMERICAN's referendum ballot is a chance for woman to register their choice.

200 CARS HERE BY \$2,000 WEST END FIRE

Ten was tied up and hundreds of shoppers who were bound for Boston were forced to wait for a long time. The fire broke out at the corner of South Street and Cambridge Street, the fire which was caused by the breaking of a wire in the heating of Hancock and Army Hall, on the top floor of the building, was a difficult task for the men, and all of the burning had to be torn up before the house could be fought.

After being delayed a half an hour, the job of clearing the cars was made easier from the fact that the fire had been put out. Among the SWELLS and BELLES

By CHOLLY BACKBAY.

It was horribly lonesome in town, so Billy and I went out to make some calls and see how the girls were keeping.

The first place we called was at the Thomdikes, on Marlboro street. Olivia was there, but the fair Alice was in and looking fine. She told us she had given up candy, bridge, theatres and dancing, and was very busy preparing for a trip to Europe with her mother and an Olivia. They will be Saturday night's been horseback riding and morning riding.

She is one of the crack girls who in Boston and has won one of blue ribbons and cups at the New Riding Club shows on her pet pony, "Jack Rabbit." On the Thomdikes we went over to call on Sally Thayer. She's one beautiful beauty, but they say her father has put his foot down on her getting married—won't let her even think of it for two years—but I guess she's having a sly thought or two along that line in spite of orders.

She's got the roller skating bee and has been having no end of a good time, inviting the other girls up and making them in the big Thayer ballroom, which is just the place for it.

After we left the Thayers we called on Helen and Margaret Thomas. Of course Sam Warren was there, calling on Helen. By the way, they say their wedding is to take place in June instead of at Easter. Won't she make a ripping fine bride, though?

From there we went to call on the Cotton girls, Eleanor and Lillian, but they were out. They were out. They were out.

What is going on in Boston to-night? It is a very busy night. There are many parties and dances. The girls are having a very good time.
